The key of return

Farrah Akbik learned the story of Palestine from a friend's family who lived it firsthand when they were forced out of Safed in 1948, and still had the key to their house hanging on the wall of their small apartment in Damascus.

Iran?

It is the mission of the Islamic Republic of Iran to erase Israel from the map of the region.

— Ali Khamenei —

Iran's stance has always been clear on this ugly phenomenon (Israel). We have repeatedly said that this cancerous tumor of a state should be removed from the region. No one will allow a bunch of thugs, lechers and outcasts from London, America and Moscow to rule over the Palestinians.

— *Ayatollah Khamenei* —

A photograph of a large, classical-style building at night. The building's facade is made of red brick and features a series of tall, fluted Corinthian columns supporting a classical entablature. A central entrance is topped by a triangular pediment containing a relief sculpture. The building is illuminated from within, with light glowing through the windows and along the edges of the roofline. The sky above is dark and filled with wispy clouds.

QUESTIONS
PLEASE

BACK-UP SLIDES

Why is Israel Stuck?

The depraved barbarity of 7 OCT 23 revealed a level of hatred of Israel and commitment to its destruction not previously considered.

The barbarity is two-fold: the conduct on 7 OCT 23, and the destruction its perpetrators knew, and accepted, would follow.

- a. The motives are, like ISIS, defined/motivated by Holy War
- b. HAMAS sees itself as a vanguard movement; the people of Gaza are expendable

Israeli v. U.S. Interests

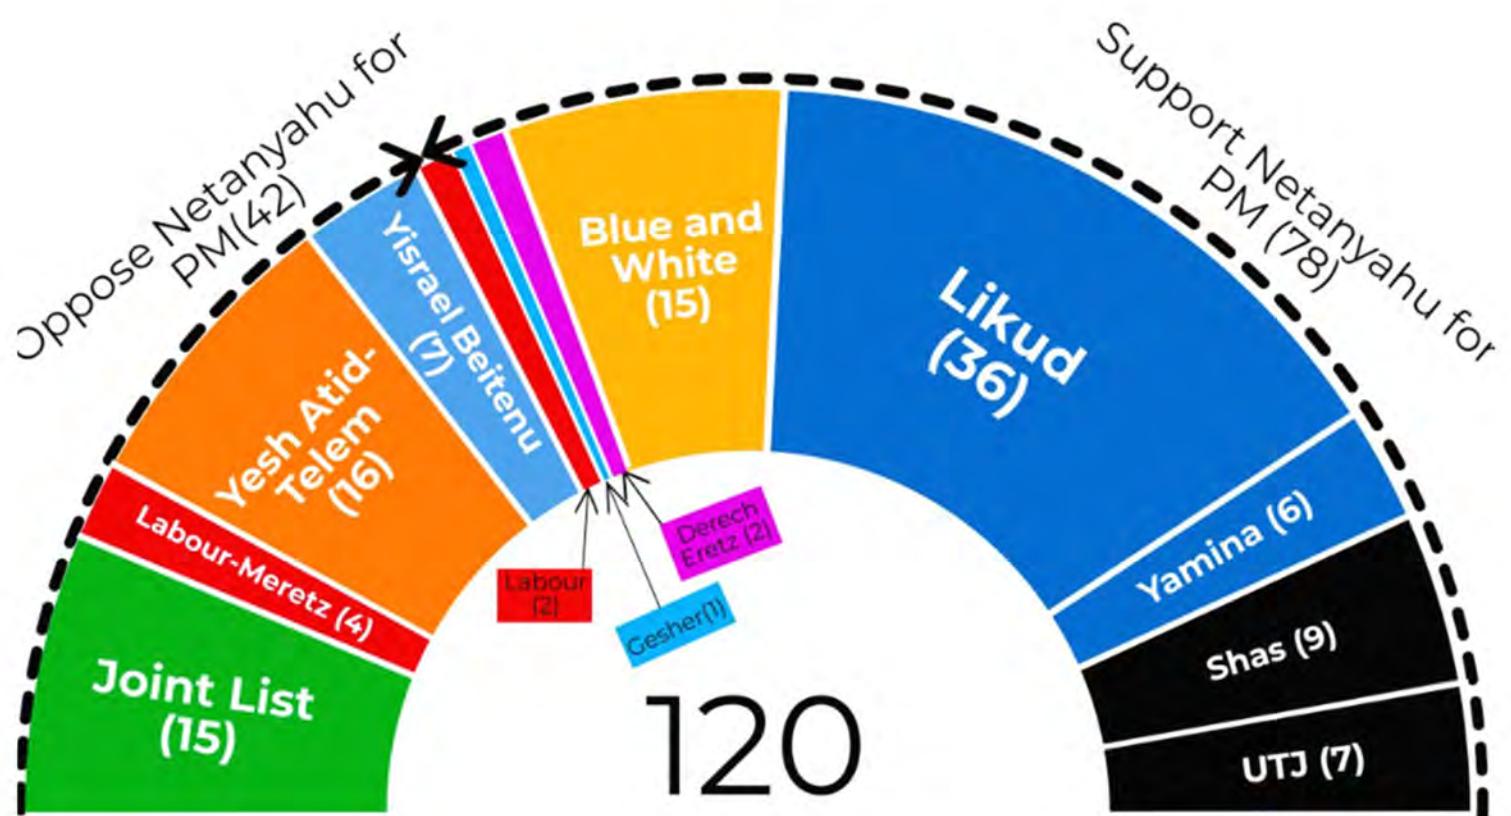

- **Israel:** Defeat Hamas in Gaza...Maximize Security in Territories...Hostages' Return.
- **U.S.** Avoiding theater-wide war where we're dragged in...Stability...Two-State solution.

Is Israel Trapped?

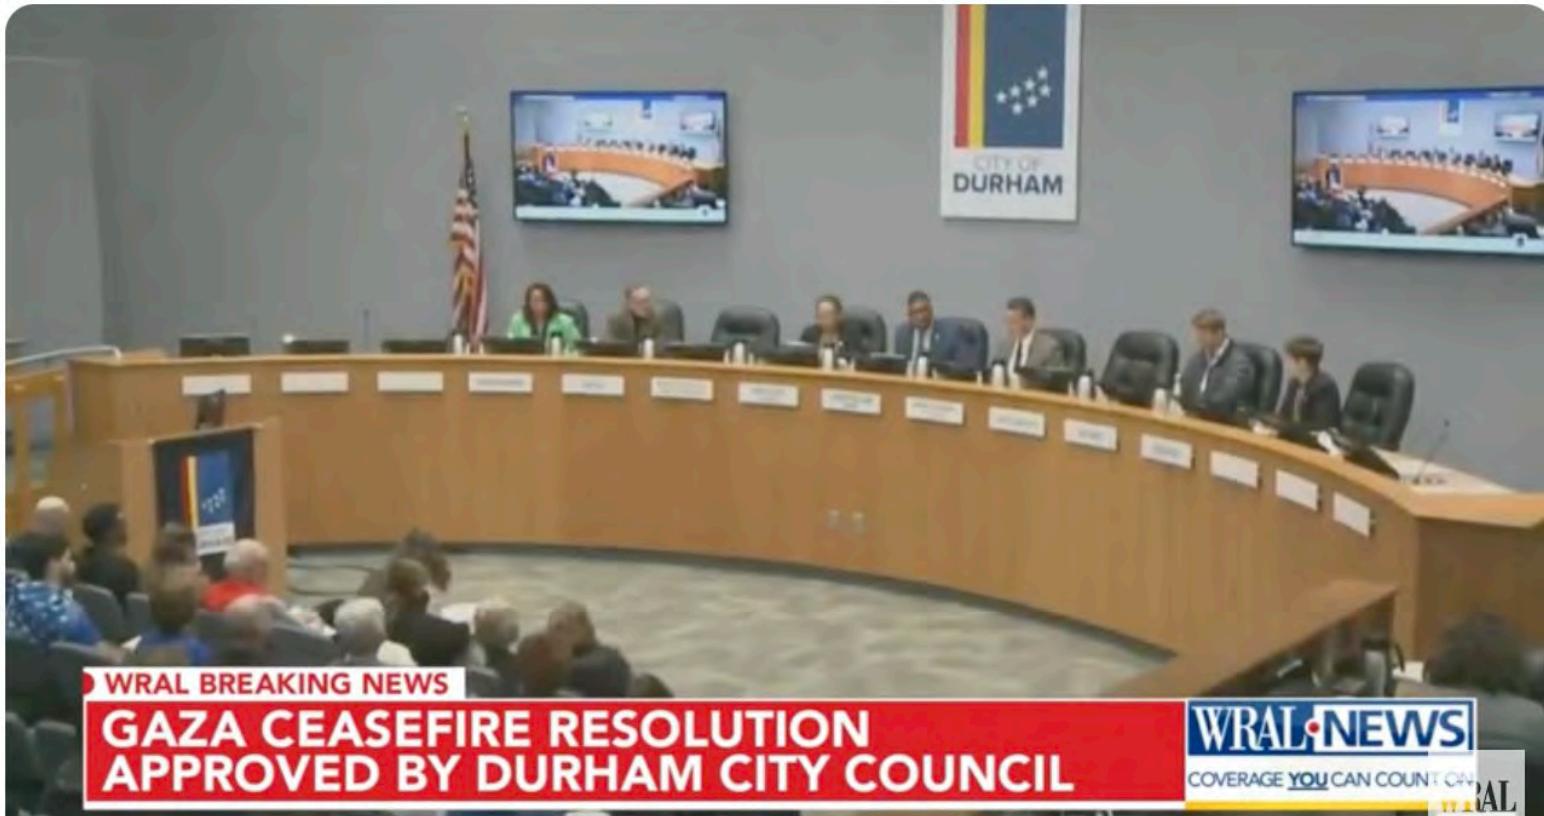

There is no visible off-ramp right now. Israel plans to fight the war to its destination—annihilation of HAMAS in Gaza.

But...Israel doesn't know what to do when it gets there; *and*

HAMAS' ideology will be picked-up by someone else, likely just as committed to Israel's destruction.
